Congratulations to the All Stars Teams.

Ways to beat the heat at the ballpark:

1. Cool off by running cool water on the inside of your wrists for few minutes – especially good for young ball players between innings.
2. Instant Cooling Towels.
3. Stay hydrated.
4. Water is the best hydrator.
5. Car Shades reduce heat up to 15°. A car seat shade reduces heat by 26°, protecting your little one from burns from hot buckles.
